Dear Bro P.

As I must be absent from my people on a special errand during the most of August, I wish to obtain supply for my pulpit. Now will you see Mr Hoarford immediately and secure him if possible to supply my pulpit three sabbaths commencing Aug 11<sup>th</sup> occupying my place, room &c. and I will give him candidate wages viz 8 dollars a sabbath and his board. Secure him if you possibly can. And please let me know the result of your application immediately that if unsuccessful I may look elsewhere Mr H. if he should come can occupy my study.

- Tell me in your reply all about the antislavery address &c -

- I took a severe cold coming up on Wednesday which I am afraid will prevent my preaching ~~in~~ tomorrow. - My best respects to Mrs P., and accept for her and yourself the assurance of a grateful remembrance & your kind hosp. wishes.

Yours Aff. Mo.
